# Problem to solve

## 4 QUALITY EDUCATION

Education forms part of the foundation that helps us develop and grow as individuals throughout our lives.

This goal includes achieving the objective of promoting educational opportunities for all.

# Our solution

## ➔ DIGITAL UNIVERSITY FAIR

A webpage where you can have easier access to the different majors that universities offer, where you can visit their study plan and have a closer look at them.

## University Search

Objective: \_\_\_\_\_  
\_\_\_\_\_

Area:  Area:

1:  Learn More

2:  Learn More

3:  Learn More

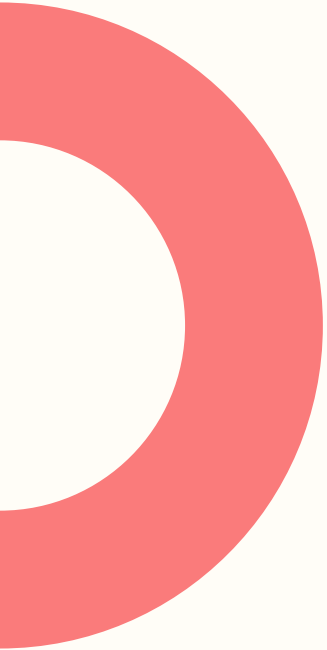

4:  Learn More

# EVOLUTION

- 01 Original idea
- 02 Special focus on UP ?
- 03 New styling
- 04 Details, details

# ➔ CHALLENGES? ➔

- 
- 
- Managing our time
  - Finding the right API
  - “why is this out of place?”
  - Moving everything to React
-
